## Die Geschichte einer Erziehung ohne Erzieher

Thomas Bernhard's childhood years, the beginning at the end, a martyrdom commences. The shame of being born out of wedlock and the mother's accusation: You have ruined my life! These were years of fear and war. It was a time far removed from joy, although not entirely without its moments of elation.

## THOMAS BERNHARD

---

Thomas Bernhard was born on the 9th of February, 1931 in Heerlen, Netherlands, and dies on 12th of February 1989 in Gmunden, Upper Austria. 1952-1957 he studied Music and Acting at the Akademie Mozarteum Salzburg, since 1957 he lived as a freelance author. He has received some of the most prestigious literature prizes and awards, among them the Österreichischer Staatspreis 1967 and the Georg-Büchner-Preis 1970, and is considered as one of the most important German language authors of his century.
